Dear Andy:

I would like to express my appreciation for the hospitality extended to me by you and your people during my visit to SAC. The high quality and professionalism of the briefings that I received provided me with a deeper appreciation and understanding of the SAC mission and of the importance of intelligence to the fulfillment of that mission. I look forward to continued close cooperation between our organizations on intelligence and national security matters. Again let me thank you for your part in making my visit an informative and absorbing one.

Sincerely,
